The following are the areas that your firm has been certified:

General Contractor Services; General Building Construction Services, Remodeling and Alterations,
Masonry, Concrete, Flooring, Wall and Ceiling Repair and Replacement
(Including Drywall) Services.

Certification is not a guarantee that your firm will receive work. Please register your company with www.demandstar.com to receive notification of upcoming opportunities. Any change to your certification requires you to submit proof of expertise, licensure and a business history (at minimum) to justify the additional certification. You are also required to submit a copy of your certificate with each bid, or proposal that you submit to the School District. You must notify this office if the status of your firm changes. Failure to report changes that affect the ownership or control of your firm may result in decertification.
